

All-Russian competition of professional skills in the field of additional education "I give my heart to children"

Federal state budget cultural institution “Russian center for artistic creation development and humanities” invites teachers who implement programs for additional education of children in Russian abroad to take part in the All-Russian competition of professional skills of workers in the field of additional education “I give my heart to children” (hereinafter - Competition).

The organizers of the Competition are the Ministry of Education of the Russian Federation and Education and Science Employees’ Union of Russia. The official operator of the event is Russian center for artistic creation development and humanities.

Purposes of the Competition:

- creation of effective conditions that ensure continuous professional development,
- creative and career growth of teachers of additional education for children;
- consolidation of the professional pedagogical community,
- actualization and development of new forms of mentoring in the field of additional education for children.

The competition is held in two stages:

- the first stage is a federal correspondence one, held in two rounds, from June to August 2023; terms of the rounds of the federal correspondence stage: the first round of the federal correspondence stage - until July 16, 2023; the second round of the federal correspondence stage - until August 18, 2023;
- the second stage is the federal final (full-time), held in two rounds in September 2023.

Nominations of the Competition: "Teacher of additional education in technical direction", "Teacher of additional education in artistic direction", "Teacher of additional education in natural sciences", "Teacher of additional education in tourism and local history", "Teacher of additional education in physical culture and sports direction", "Teacher of additional education in social and humanitarian direction", "Teacher of additional education working with children with disabilities, with physical conditions", "Professional debut in additional education", "Mentor-teacher in additional education".

Foreign participants register on the official Internet resource of the Competition <https://serdtsedetyam.ru/register/> from June 12 to June 18, 2023 in accordance with the procedure for participation of self-nominated competitors, submit documents and competition materials:

- consent of the Competition participant to the processing of personal data;
- color photograph of the participant;
- video "Business card" of the participant;
- author's essay on the topic: "What is more important today - the educational effect or the pedagogical effectiveness of classes in additional education?";
- an additional general educational program of the participant and information

about the quality of the implementation of the Program in the form of a link to a page on the official website of the educational organization in which the participant works.

The final of the Competition will be held in St. Petersburg from September 15 to 20, 2023.
