

**All-Russian competition of teaching materials
for the implementation of additional general educational programs
"Panorama of methodological cases of additional education of artistic and
social-humanitarian directions"**

Russian center for artistic creation development and humanities invites teachers from foreign countries to take part in the All-Russian competition of methodological developments for the implementation of additional general educational programs "Panorama of methodological cases of additional education of artistic and social-humanitarian directions" (hereinafter - Competition) in 2024.

Purpose of the Competition:

Professional motivation and actualization of the methodological potential of teachers in the field of additional education in the development of models of educational and methodological complexes for the implementation of additional general educational programs of artistic and social-humanitarian directions.

Both individual participants and teams are invited to participate in the Competition.

The following participants are invited to join the Competition:

- teachers of additional education with their own methods and additional education programs implemented for at least two years;
- teams of an educational organization consisting of no more than 5.

people who took part in the development of a methodological case for the program being implemented.

Submission of applications for the Competition is carried out from February 26 to April 01, 2024 at the link: <https://metodpanorama.vcht.center/>.

The face-to-face stage of the Competition takes place in May in Moscow for the winners in nominations in order to determine the absolute winner of the Competition.
